It was a heart felt Bon Voyage....

Since our last newsletter I made a tough decision to resign as the Bay Oak Senior Program Coordinator. Our Memorial Day Barbeque turned out to be my last day as a Town Employee. For those that could not physically be there, know that you were all well represented. My gifts of a solid gold charm bracelet with our Owl Logo, and BOSS charm touched my heart as each and every one of you has. This past year has been a difficult challenge for me to maintain our program on a part time basis while working full time for Lee County Parks. A task that would have been impossible without the positive support of the Town, Nicole Olsen (Bay Oaks Director), Les Wothke and all the staff at Bay Oaks, our Dedicated Volunteers and of course Irma Divine who has volunteered more hours then all of us combined. It is with confidence I leave our program in these caring hands. Last year at this time we prepared for a new chapter as the Town took over Bay Oaks Recreational Campus. The struggles have been many and met with the best interest of our members while faced with budget restrains. Once again our Town Council will be faced with more of these difficult decisions. All of our continued support is vital to the senior network we have all worked so hard to successfully build here on Fort Myers Beach. It is my hope to be an active part of our volunteer program and support to this senior network. Laurie

** Laurie's father passed away on Sat. June 19. A memorial service will most likely be the end of July on Long Island, NY

Bay Oaks Social Seniors needs a FULL TIME DIRECTOR. Council needs your input.

Nicole can still take letters addressed to her giving our support and personal feelings regarding the need for a full time director. She will pass your thoughts on to Council.
